Alpha Chi Chapter To Be Established At Wartburg

An Iowa Alpha Chapter of Alpha Chi, a national honorary scholarship society, will be established on campus April 29.

Dr. Paul Schwab, president of the National Council of Alpha Chi and now affiliated with Trinity University, San Antonio, Tex., will be present at the installation ceremonies.

MEMBERS OF THE National Council of Alpha Chi recently voted to authorize Dr. Schwab to organize the chapter at Wartburg.

This is the culmination of a request by the Academic Life Committee of the Student Senate to the faculty of Wartburg.

According to the dean of faculty, Dr. John Chellevold, the national constitution of the society restricts membership to the regular members of the junior and senior classes who rank in the upper one-tenth of their classes.

WARTBURG, AT ITS discretion, may enforce a higher degree of scholarship for membership in the society, if desired.

A committee has been set up to carry out final plans for the installation of the society on campus, according to Dean Chellevold.

Dr. E. W. Hertel, of the Biology Department, will act as chairman of the committee. Miss Mattie Harms, registrar, the Rev. August Baetke, Sociology Department, and Grace Jahn and Dave Grube, juniors, will serve on the committee.

Heart Ass'n Grants $250

Wartburg's Biology Department has received a grant of $250 from the Iowa Heart Association for use in research work.

According to Dr. Elmer Hertel, head of the department, the research work has a two-fold purpose.

One purpose is to teach students methods of research, especially in the cardio-vascular field, which concerns the heart and blood circulation.

Hertel

Another purpose is to investigate coronary circulation in amphibians. In heart attacks, the blood supply to the heart is shut off. Therefore, in this research work the students are tying off certain arteries in frogs and are observing how other branches then enlarge and take over that area.

The five students engaged in this research are sophomores Carol Froehlich, Karen Epley, Betty Haefs and juniors Ken Skala and Lee Eichele.

The $250 grant is being used to buy frogs, equipment and chemicals and to cover necessary travel expenses of the researchers.

The group traveled to Cedar Falls to study at the Iowa State Teachers College library March 12, and plans to go to the University of Iowa at Iowa City sometime in the near future to work at the library there.

This project will be continued for a year, a report being given at the close.

Two Will Attend Chicago Meeting

Dr. C. H. Becker, president of Wartburg College, and Dr. John Chellevold, dean of faculty, will attend a meeting of the North Central Association of Colleges and Secondary Schools at Chicago March 28-30.

Dr. Becker will preside at the opening meeting of a subcommittee on liberal arts and teacher education. The topic for the group will be "A Critique and Analysis of the Ruml Report."

'60-'61 Applicants Reach New High

Looking ahead to the new 1960-61 term, the Admissions Office, under the direction of Fred Thompson, reports a record high in the number of applications from prospective students.

Already 183 men and 174 women, a total of 357, have applied for admission, as compared to the 342 applications received by the same date in 1959. In 1958 the number was 329, and in 1957 it was 234.

Applicants for the coming year are primarily from the Midwest. Iowa heads the list with 181 prospective students, followed by Illinois, Wisconsin and Minnesota with 51, 48 and 26 in that order.

Applications have also been received from North and South Dakota, Nebraska, Michigan, Kansas, Ohio, California and some foreign countries.

Although in previous years at this date the number of applications from women exceeded the number received from men by a fairly wide margin, this year the situation is reversed. The number of male applicants outranks the number of female applicants by nine.

Fund Drive Draws To Close

"WHY, THERE'S enough there to grab," laughs freshman Barb Lackstrom as she tries out junior Paul Ahrens' beard. Ahrens is a member of the CSCC — Chin Shrubbery for Campus Carnival.

More Than $500 Received To Date

Fund drive for the Student Body project is drawing to a close. The total amount received thus far has exceeded the $500 mark with many pledges still to be collected.

John Tuecke, project chairman, stated that the committee was a little disappointed with the drive, but that the carnival will be bigger and better than ever, so it may take up some of the slack.

THE CARNIVAL is scheduled for April 9 in Knights Gym. The theme this year will be along the beatnik line. The beards around campus already accent the theme.

The carnival will have many new and different booths, according to Fred Mai, chairman.

THE AUCTION Committee reported that donations are being received and any one wishing to donate should contact Dick James or one of the other committee members. As a special attraction this year an airplane ride for two will be auctioned off. The ride will last about an hour and will cover the Waverly-Waterloo area.

The high light of the carnival is the crowning of the King and Queen. King and Queen candidates have been selected from the various housing units and dorms. The $2 average that was a must last year had to be lowered to a $1.75 average at a special meeting of the committee in order to allow more units and floors to participate.

Chaplain Diers Announces Monday Meeting To Discuss 'Life and Mission' Study Project

Preliminary meeting to discuss a "Life and Mission" study project will be held here Monday, according to Chaplain Herman Diers.

Chaplain Diers, in charge of the discussion, stated that this study project is sponsored by the World Student Christian Federation, an international organization made up of all denominations.

"It is an attempt to rediscover the mission of the church in the world in our 20th century setting," he explained.

This study project will encourage students to take more seriously the membership in their own churches and awaken them to a new concern for unity, extension and renewal of the church in mission, especially in the colleges.

Wartburg is one of 10 campuses selected for this study and is the only church college in the group, the others being state or private institutions.

These study groups will be in preparation for a world teaching conference, which will be held in Strasbau, France, this summer.

FIRST YEAR NEARLY GONE

Frosh Looks At Wartburg

By Linda Mugridge

Judy Seffer is a Wartburg freshman. She and her classmates have been collegians for a semester and one-half.

"Who would ever have believed that I'd have memories after seven months!" exclaimed Judy.

Judy's Wartburg memories go back through time and activity to the day it rained when she was thrown into the fishpond. They even go back to her high school days.

"When the Bible camps I attended had college nights, I'd always end up in the Wartburg group," remembered Judy.

An English major from Peoria, Ill., Judy intends to be a missionary teacher in New Guinea. She says that her interest in mission work is like her interest in Wartburg.

Judy

"I don't know exactly how they started," she commented. "They just sort of grew, and here I am."

During the spring of her senior year in high school, Judy visited Wartburg the first time. She said that she really was impressed by the campus. While here, she took the Regents Award tests and ended up with a 600-dollar scholarship.

Judy, who along with 16 other freshmen, made the first semester honor roll claims English as her favorite subject.

"Some of my classes are very stimulating," she said. "Others require less than they should."

In addition to carrying 17 credit hours, Judy plays flute in Band, she played a part in "Dr. Faustus," and she will have a poem published in the Castle. She recently joined Mission Fellowship.

"But my favorite all-school activity is complaining about the food. I'm not too original," explained Judy.

"I have mixed emotions about convocation," she added, turning to another focal point of Wartburg complaint. "I have really enjoyed some, like those during Spiritual Emphasis Week. Then there are others when I get quite a bit of homework done."

Judy noted that although Wartburg as a Christian college should be able to require compulsory chapel, too, it would be a difficult program to begin.

"I do feel that housing and classroom facilities should be expanded or else the number of students reduced by more careful screening," she said, glancing at the three beds in her room, which was originally designed for two people.

"My roommates and I haven't murdered each other yet, though."

High on Judy's list of Wartburg assets is the school's friendliness. She also thinks the student congregation makes a real contribution to campus life.

Although Judy's reactions to Wartburg are her own, they are more or less representative of the freshman class. In fact, they are fairly typical of the Student Body. In the last analysis, they are Wartburg itself.

Six Waverly-Men To Go To Merger

Six Waverly men are scheduled to attend the final merger convention of The American Lutheran Church from April 19-21 at Minneapolis.

Dr. C. H. Becker, Wartburg president, will act as an adviser on a committee of higher education. H. C. Engelbrecht, business manager, will serve on a committee of administrative affairs.

The Rev. August Baetke, Sociology Department, will be a member of a committee for parish education while Dr. Karl Schmidt, Christianity Department, will serve as an adviser for a committee on higher education.

H. C. Nolting and Walter Voecks, Waverly residents, will serve on committees concerning themselves with higher education and social action.

In addition to the area men attending the convention, the Wartburg Choir is scheduled to sing at the merger on April 23 and 24.

X-ray Unit On Camp

Wartburg students and faculty who wish to take advantage of the free chest X-ray may do so Monday, March 28, on campus from 8:30 a.m. to 11:30 a.m.

The service is sponsored by the Bremer County Tuberculosis and Health Association and the County Medical Association.

The Wartburg Trumpet

Published weekly during the school year. Entered Oct. 15, 1935 and re-entered Sept. 27, 1947, as second class matter at the post office at Waverly, Iowa, under th act of March 3, 1879. Subscription rate—$3.00. The views expre sed in this publication are not necessarily those of the faculty or the administration. Founded in 1906 as the Wartburg Quarterly.

Ah, Let's Not Socialize

Social groups at Wartburg College? No! Never!

If a general opinion could be gathered from the student senate sponsored discussion group held last Monday, the prevailing attitude on the subject of establishing social groups at Wartburg would be negative.

Nineteen people were present, five of whom were not members of the senate.

Social groups would function somewhat in the same manner as fraternities and sororities on large university campuses. That is, they would provide for the social life of the college.

Not much thought has been given to how these groups would be organized — according to dormitory floors as in some colleges, according to classes or according to course of study. Nor has much thought been given to whether or not these groups would be restricted in membership in any way.

But 19 people discussed the problem.

How did the question arise? Last fall North Hall men petitioned the student senate to allow them to organize as a social group and presented a written constitution.

One person from North Hall was at the discussion.

The senate, at that time finding no purpose in the hall's organizing, passed a negative recommendation on to the Faculty-Student Council. The council suggested that the senate look into the matter of allowing groups whose purpose is solely social to organize.

A subcommittee was appointed which obtained reactions from other schools, conducted investigations and finally got set to present its findings at the discussion group.

Nineteen people were on hand to hear and discuss.

Prevailing opinion was summed up by Mrs. Florence Hertlein, dean of women, who said, "Social groups have their place, when people want social groups."

And after all, 19 people were there!

M. Adams Pleads Return Of Watch

To whom it may concern:

You have something I want. My watch. Please read this through and think carefully before deciding whether you need it more than I.

The year after my mother died, my father gave me the watch for my Confirmation. It has a tremendous amount of "sentimental" value attached to it.

I was probably careless and the temptation was probably great, but I beg you, please return my watch! If you have any honor or integrity or goodness in you, do not reject my plea!

Melanie Adams,
Box 101

Wartburg: The college with sidewalks built six feet below sea level.

Housemother's query: If silence is golden, what color is noise?

One reason for advocating social groups on campus is so that they can take over the activities currently assigned to housing units. Yet one proposed way of forming social groups is by housing units.

The week of midsemesters tests is clean-up week. At least it's a time for brain washing.

Without a doubt, the best Student Body project we could support would be a tile drainage program on campus.

Overheard from a Den-worker: "Oh, no, you won't catch me going into Fuchs Lounge to turn on the lights!"

Perhaps Wartburg should offer a new type of orientation course — beard-shaping for potential beatniks.

An echo from the past: What ever happened to the RSVP?

The only thing worth learning at Wartburg nowadays is how to keep your feet dry.

Beatnik Carnival Draws Criticism

Dear Editor:

Recently, a rather prominent person on campus exclaimed to his companion, "Hey, do you know what I think would be a great theme for the carnival this year? Beatniks! That would sure fit in good with the beards and all."

Since then the idea has spread and is now a confirmed fact.

What a revolting idea!

Beatniks are a class of unwashed, unchristian individuals who participate in almost every (if not every) immoral act known to man.

These disgraces to humanity are constantly being brought into the open by means of radio, television, and the press, so that the public can see just how base they really are.

John Ciardi, in his article "EPITAPH FOR DEAD BEATS" in the February 6, 1960, edition of Saturday Review, says: "The Beats have found their kicks in an intellectual pose, in drugs (primarily marihuana, but also benzedrine, mescaline, piote, assorted goof-balls, and occasional heroin), and in wine, Zen, jazz, sex, and a carefully mannered jargon."

He also mentions that "shedding one's clothes in public for example is a well-established Beat prank (the point of which is probably to prove one's purity of all traces of soap and water)."

We are not suggesting that any of the atrocities mentioned above would go on at our carnival, but we are saying that, with the public so well informed on Beatniks, it would be great to hear or read that "Wartburg College, Lutheran Church School, of Waverly, Iowa, has carnival with Beatnik theme."

Why Beatnik? Does it have to go with the chin shrubbery? If so, why not use something like "The Gay Nineties" for a theme? Some might argue that Beatniks make up a popular trend now. Popular or not, it is still wrong.

According to a not-so-recent (but still best-selling) book " . . . the works of the flesh are plain: Immorality, impurity, licentiousness, idolatry, sorcery, . . . party spirit, envy, drunkenness, carousing, and the like. I warn you, as I warned you before, that those who do such things shall not inherit the kingdom of God." (Galatians 5:19-21).

Looks as though they had Beatniks in the first century A.D. too.

Must you insist upon such an immoral, unchristian theme? Why Beatnik?

Women's Freedom Brings New Prcblems

By Judy Gienger

What do you think of womanhood? Peter Marshall's sermon "Keepers of the Springs" expresses some thoughts on the subject that are worth mentioning.

"The emancipation of womanhood began with Christianity, and it ends with Christianity. It had its beginning one night nineteen hundred years ago when there came to a woman named Mary a vision and a message from Heaven . . . that she should be the mother of the savior of the world.

"It was . . . on that night when that tiny Child lay in the straw of Bethlehem that the emancipation of womanhood began . . . He (Christ) accorded her (Mary) a new dignity and crowned her with a new glory, so that the daughters of Mary have been respected, revered, remembered and loved."

In short, Peter Marshall says that there is something in a woman that by nature makes her superior to a man. Yet, in spite of that, in the 20th century the woman demands equality to man; and because of it, she has to lower her moral standards.

Woman now has the right to become intoxicated, to smoke, to work like a man and to act like a man. Isn't she man's equal? What is this called Progress?

Peter Marshall further points out that no nation can progress downward; no people can become great by lowering their moral standard.

"It is not progress when womanhood loses its fragrance. Whatever else it is, it is not progress."

We talk of different types of women — charming, intellectual, appealing, working and gifted; but seldom do we hear of a godly woman.

Peter Marshall describes the world as having enough women "who know how to hold their cocktails, and who have lost . . . their faith." But instead, "the world needs women who are willing to be simple; not smart women who are brave, not just brilliant women who are pure, not popular."

In summary, what we need is "women, and men too, who would rather be morally right than socially correct. Let us not fool ourselves . . ."

Peter Marshall concludes the sermon with a hope for Americans: "I believe that this generation of young people has courage enough to face the challenging future. I believe that their idealism is not dead . . .

"I have every confidence that they are anxious to preserve the best of our heritage; and God knows if we lose it here in this country, it is forever gone. I believe that the women of today will not be unmindful of their responsibilities: that is why I have dared to speak so honestly."

Knight Orators Are Sixth In State Tourney Action

Wartburg rated sixth in the Iowa Forensic Association tournament held at Grinnell College, Grinnell, recently.

Eighteen colleges entered speakers in the five areas of the tournament.

LUTHER COLLEGE won first place with 49 points, Iowa State Teachers College second with 37 points, Loras third with 36 points, Grinnell fourth with 32 points, Central fifth with 31 points and Wartburg sixth with 30 points. ISTC also won the trophy for debate.

Wartburg received 2 points in poetry, 4 points in oratory, 4 in discussion and 20 in debate, to make the total of 30 points.

IN POETRY reading, junior Dallas Johnson received a Superior rating and junior Deanna Stob a rating of Good.

Johnson and sophomore Meta Fokkena received Excellent ratings in oratory.

Junior Bill Goetz and senior Dean Engbrecht scored Good ratings in extemporaneous speaking.

IN DISCUSSION Goetz received an Excellent, and Engbrecht, Miss Stob and junior Bill Schroeder scored Good.

Goetz and Johnson rated Superior in debate, both individually and as a team. They defeated Westmar, Grinnell, Parsons and Central and were one of the four teams in the tournament undefeated in four rounds of debate.

Miss Stob and Engbrecht defeated Upper Iowa in debate and lost to Clarke, Luther and ISTC. They rated Excellent both as a team and individually.

Don Bathgate Named City's March Jaycee

Senior Don Bathgate, Wartburg's first representative to the Waverly Chamber of Commerce in a number of years, was named Jaycee of the Month for March.

Bathgate introdueed the United States-Russia family exchange program reeently begun by the Waverly Jaycees.

Miss Martin Will Return

Miss Elizabeth Martin, 1956 Wartburg graduate, is returning here as assistant librarian Sept. 1, as announced by Dr. J. O. Chellevold, dean of faculty.

Miss Martin is a native of Waverly. Since her graduation from Wartburg she has been an English instructor at Oelwein Senior High School and librarian at Dubuque Senior High School. While in Dubuque, she also assisted in the library at Wartburg Theological Seminary.

Miss Martin has begun work toward a master's degree in library science at the University of Minnesota, Minneapolis, and will attend school there again this summer.

Miss Martin

Convo Has Panel And ELC Pastor

"College Town Hall" is the theme of Tuesday's convocation.

Presented by the Iowa Manufacturers Association, this will consist of a panel which will discuss certain aspects of economics. The Student Body may direct questions to the panel, and after convo those interested may continue this discussion in the north classroom of the gymnasium.

Those on the panel include George W. Bird, John D. Donnell, H. S. Kryper, Jack Macnider and Ralph Mecaque, all from Iowa.

The Rev. C. Richard Evenson will deliver the sermon at Thursday's convocation of worship. Pastor Evenson has served as executive secretary for Parish Education of the Evangelical Lutheran Church and will continue to serve in a corresponding capacity in the future merged church.

Steege To Iowa

Bill Steege, senior chemistry major, has been awarded a teaching assistantship for next year in the Chemistry Department of the State University of Iowa, Iowa City.

Chimes Transported

The chimes, usually heard ringing from the Little Theater, will now be heard ringing from the top of Luther Hall. The chimes were moved so they could be heard throughout a greater area, according to H. C. Engelbrecht, Wartburg business manager.

Council Is Elected

Election of campus church council members took place last Monday and Wednesday, for the 1960-61 school year.

Congregation members selected juniors Paul Schaedig, Arlyn Saathoff, Catherine Carr and Jeanne Kriesel. Sophomores included Milbern Goetz, Gail Lovold, Pearce Konold and Margretha Radloff.

PHIL TRUCKENBROD, from the freshman class, was chosen for a seat on the governing body.

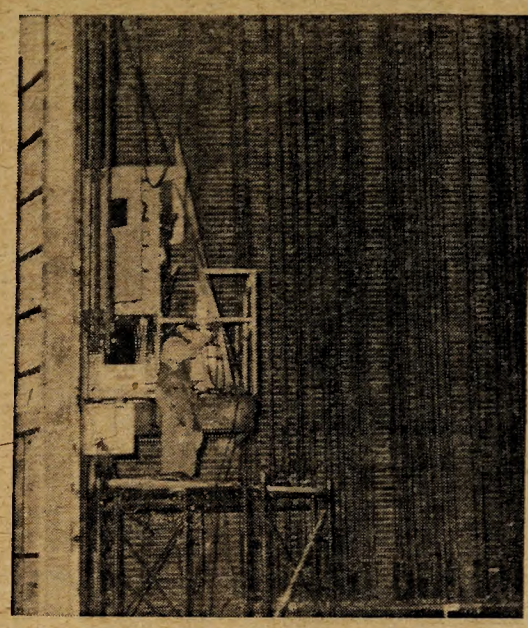
Kriesel

The newly elected council will meet with last year's council to become orientated to the functioning and procedure of the congregation's program.

On April 11, the new council will meet to elect a president, vice president, secretary and treasurer from among their ranks. Procedure for the choosing of chairmen for the congregation's five standing committees of Worship, Christian Growth, Christian Life, as well as Evangelism and Finance, will be established at this meeting.

BECAUSE OF the change in housing which takes place at the beginning of the school year, precinct elections to choose members for the committees will probably take place next fall, according to Pastor Herman Diers.

He also stated that no definite time has been established for the service of installation and consecration.



Progress Is Product

PULLEYS GALORE climb the walls of the chapel-auditorium. Workmen are now installing the main electrical apparatus in the building, which will be completed by early summer.

Mid Knight March

By Bob Solete

As I had a couple of weeks between issues and all my studies caught up (sometimes I feel I could fool a lie detector), I sat down and read a few current best sellers.

After I had finished More Pogo, I got to wondering what other people around the campus were reading. Because wondering is close to thinking, I stopped it quickly and went out to see what I could find. Here is a list of books persons or groups are reading nowadays:

The Dean's office — Advise and Consent
The Alumni Association — Poor No More
The Chemistry Department — Folk Medicine
Pastor Schick and the convo sparrow — The Joy of Musie
The senior class — Exodus
Mrs. Pichelmeyer — Charlie Is My Darling
Fuchs Loungers — Kiss, Kiss and The Darkness And The Dawn
Vollmer House — A Touch Of Innocence
Herb Engelbrecht — How I Turned $1,000 Into $1,000,000 In Real Estate
Average student — Beyond Survival
Wallflowers on campus — Where the Boys Are
Treasurer's office — Poker According to Maverick
Ketha House — The Good Light
North Hallers — May This House Be Safe From Tigers
Old Main dwellers — The Breaking Point
Beard growers — The Ugly American

May I conclude with a remark I overheard on campus the other day: "Be good to yourself, because nobody else will."

Band, Singers Hit Annual Spring Touring Trail

Lee's Concert Group Starts North Today

The 68-member Band left today at 12:30 p.m. bound for Preston, the first stop of the tour. Streator, Ill., is the site for tomorrow's concert and Ripon, Wis., for Monday's. Cheboygan, Mich., the farthest point the Band will reach, is scheduled for a concert on Tuesday.

Wednesday the Band will play at Plymouth, Wis., and Thursday at Lake Mills, Wis. Oak Lawn, Ill., is the place for the Friday concert, followed by one at DeForest, Wis., on Saturday. Returning to Iowa next Sunday, the Band will give a concert Sunday evening at Strawberry Point.

While in the Chicago area, the Band will tape a long-play recording at the RCA Victor Studios.

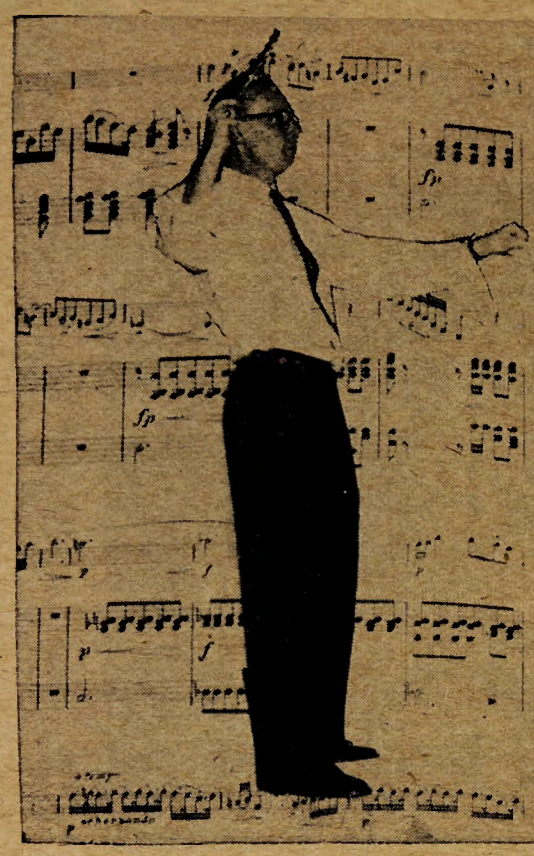
SEVERAL BAND members will be featured during the tour. Ed Skay, junior, will play a cornet solo in "Come Back to Sorrento" by De Curtis.

A solo group will be featured in "Five Mellow Winds" by Schanke. This includes Gail Lovold, sophomore, alto sax; Marilyn Schlake, freshman, alto sax; Pat Dieterich, sophomore, clarinet; Carmelia Peters, freshman, tenor sax; and Dorothy Hansen, sophomore, tenor sax.

THE FLUTE section takes the lead in "Safari" by Walters. "Concertino" by Williams features the percussion section.

"Malaguena" by Lecuona will feature Doug Kutschat, senior, *on the baritone. Carol Schrage*, sophomore, will sing a solo in "Hans Christian Andersen" by Loesser. The cornets and trombones will be featured in "March of the Steel Men" by Belsterling.

Castle Singers will present home concerts April 6 and 8 at St. Paul's Lutheran Church at 8 p.m. The Band, under the direction of Robert E. Lee, will present a home concert on April 4 at the Knights Gym at 8 p.m.



Lee

Fritschel

Chartered buses for both Castle Singers and Band line up for loading by the Fine Arts Center.

The Buses will be home for the two groups during next week's tours throughout the Midwest.

Fritschel's Singers Departed Yesterday

Castle Singers, under the direction of James Fritschel, boarded chartered buses at 4 p.m. yesterday to begin their Midwestern tour.

The 53-member group will present the "Passion According to Saint Matthew" by Heinrich Schuetz. A Passion dates back to the early history of Christianity, when Passions were sung and dramatized as part of the church service.

This Passion, written in 1666, is in direct line with later Passions of Bach. The chorus takes the part of various crowds, such as mobs, disciples or soldiers.

SEVERAL MAIN solo parts will be taken by members of the group. The part of the Evangelist will be sung by Ron Burrichter, freshman. The part of Jesus will be sung by James Pilgrim, senior, and Judas by Robert Post, freshman. Galen Hora, sophomore, will sing the part of Peter, and Pearce Konold, the part of Pilate.

Sophomore Art Baker takes the part of the High Priest. The two false witnesses are played by Dave Kaiser and Duane Nelson, juniors. Adele Borchardt, freshman, and Dorothea Tobias, sophomore, take the parts of the two maids. Dorothea acts as Pilate's wife.

THE FIRST SITE of the tour was Grimes, where the chorus presented a concert last night. Tonight the concert will be in Mineola, and tomorrow in Johnson, Neb. Phillipsburg, Kan., is Monday's stop.

Tuesday a concert will be presented in Hebron, Neb. Wednesday the Singers will be in Eustis, Neb.

Bassett, Neb., is the stop for Thursday, and Albion, Neb., for Friday.

Returning to Iowa, the group has Saturday's concert in Sheldon. Sunday morning, April 3, the Singers will appear in Worthington, Minn., and Sunday evening they conclude their tour in Lakota. All concerts are in the evening with the exception of Sunday morning, April 3.

SOLOIST ED Skay makes his cornet sing as he plays "Come Back to Sorrento.' Skay has been soloist with the Band the past three years.

CONCENTRATING on Fritschel and Schuetz, members of Castle Singers prepare the "Passion According to Saint Matthew." The group began their tour yesterday.

46 Students Concentrate On Teaching

Forty-six Wartburg students are trying their hands at teaching in area schools, according to Dr. Herbert Max, Education Department. Prospective elementary and high school teachers are working in Waverly, Shell Rock and Janesville.

All elementary teachers are teaching in Waverly schools.

Student teachers at Irving are Mary Reiff, fourth grade; Janice Huggans, Carolyn Krueger, Donna Helfrich and Alma Bremer, fifth grade; Carol Baer, Donald Danneman and Wanda Karsten, sixth grade.

Teaching at Lincoln School are Verla Bartels, first grade; Joyce Speicher, second grade; and Beverly Johnson, third grade.

Student teachers at St. Paul School are Irene Stier, first grade; Gretchen Mueller, third grade; June Marolf, fourth grade; and Marian Chatfield, fifth grade.

Two are student teaching at West Cedar School, Darlene Arns, second grade, and Deloris Rieck in third grade.

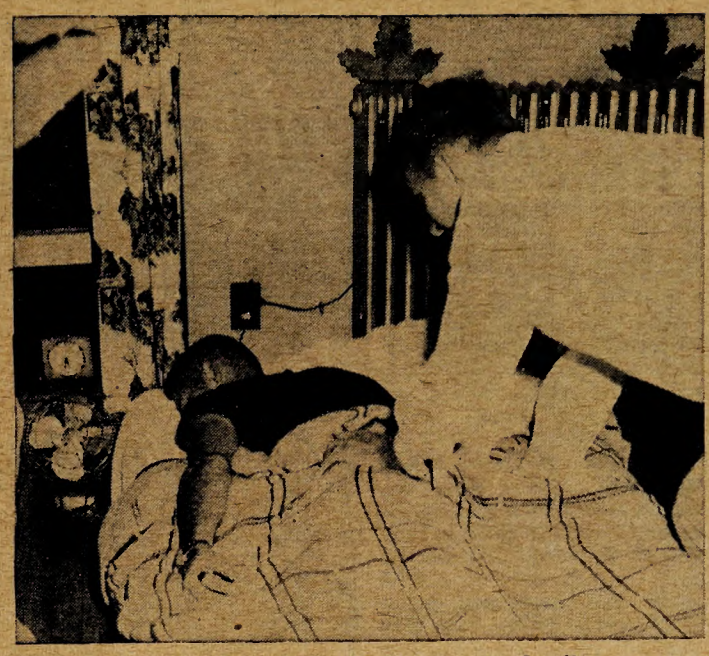
High school student teachers at Janesville are Merlyn Kasemeier, business education; Douglas Schuldt, typing; Jo Ann Schmidt, home economics; and Marilyn Nissen, vocal music.

Student teachers at Shell Rock High include Galen Eiben, biology; Marilyn Brudi, social studies; Meredith Stuhmer, voice; and Delores Garrett, English.

Waverly Junior High School student teachers are Larry Raper, science; Roger Harrington, science; Nancy Crosman, English; and Charles Nichol, science.

Student teaching at Waverly Senior High School are Harrington, boys' physical education; Roger Zehr, boys' physical education and biology; Miss Crosman, American literature; Wilbur Flachman, journalism and baseball coaching; Russell Muhlenhaupt, biology; Paul Rothfusz, German and biology.

Roger Schneider, American literature; Virginia Albers, home economics; Beverly Imm, home economics; Jane Marten, English; Gretchen Utke, girls' physical education; Mary Jo Kaiser, girls' physical education; Delbert Gilbert, American history; Jerry Ford, American history; Rex Grove, English; Lorraine Mastin, Pat Waters, Grace Pumfrey and Keo Miller, all teaching voice.



WE WANT OUTFLY! After all, Outfly means spring and spring means mild weather with a decided lack of snow. Perhaps the enthusiasts above (well, at least one is enthusiastic) will fool the weatherman into delivering. If not, skiing on Outfly would be different.

Tomorrow Marks Debut Of Choir

The campus church choir will make its first appearance Sunday, March 27, at the 9 a. m. worship service in Knights Gymnasium.

In the absence of its director, Robert E. Lee, student director Grayce Pumfrey, senior music major, will direct the group in singing "Were You There When They Crucified My Lord?" Romaine Foege, senior, will sing the solo.

At the March 9 rehearsal, officers were elected by the group. Senior Larry Nelson will serve as prexy, senior Ken Schlucter as vice president and sophomore Ruth Chatfield as secretary-treasurer.

College Will Build New Language Lab

A language laboratory will be added to the Wartburg Language Department next summer, according to Wartburg Business Manager H. C. Engelbrecht.

The laboratory will be installed in Room 201 of Luther Hall and will accommodate 30 students. It will consist of stations with glass fronts for each individual. Equipment will include earphones, microphones and tapes.

Students and teacher will be able to carry on two-way conversations during the recitation period. It will be possible to carry on a class discussion by turning on all of the microphones.

Students will also be able to use the laboratory during their free time.

Director Places Eighteen To Fall Teaching Positions

Eighteen Wartburg seniors who will begin teaching next fall have been placed in schools throughout Iowa, Illinois, Minnesota, Wisconsin and Ohio, as announced by Miss Mattie K. Harms, director of the Wartburg Placement Bureau.

Those who graduated in January and are now in the field include Harley Joens, teaching English in La Salle, Ill.; Marlys Madsen, teaching biology in Newhall; and Mary Ellen Zellmer, teaching English in Mount Ayr.

FOUR OF THE JUNE graduates who will teach in Iowa schools include Jerry Ford, P.E. and social science at Kanawha; Lester Happel, seventh and eighth grades at St. Paul's in Waverly; Karen Mueller, fifth grade at Postville; and Larry Niemann, math and girls P.E. at Denver.

Other Iowa teachers are Sally Pleggenkuhle, fourth grade at Sumner; Roger Schneider, English at Iowa Falls; Beverly Schoeman, second grade at Davenport; and Joyce Speicher, elementary at Janesville.

CATHERINE BECKMAN and Carolyn Schardt will take up residence in Minneapolis, Minn., where they will teach in the Fridley schools. Catherine will teach second grade, and Carolyn, elementary music.

Wisconsin will receive two Wartburg teachers, Carolyn Krueger and Deloris Rieck. Carolyn will teach fourth grade in Hazel Green and Deloris will teach second grade in Madison.

Two other Wartburg students will teach out of state next fall. Donald Danneman will be in Ft. Wayne, Ind., and Irene Stier in Woodville, Ohio.

Seminary Visitations For Seniors Tuesday

Wartburg Seminary, Dubuque, will hold its annual visitation day Tuesday for all seniors interested in the ministry.

Men planning to go must sign a sheet in Luther Hall by Monday, according to senior Ron Freimark, in charge of the trip. Transportation cost is $1.50.

Guided tours, class visitations and a coffee hour with students and faculty are on the day's agenda. Room reservations may also be made at that time.

This is the B-52. Advanced as it may be, this airplane has one thing in common with the first war-galleys of ancient Egypt...and with the air and space vehicles of the future. Someone must chart its course. Someone must *navigate* it.

For certain young men this presents a career of real executive opportunity. Here, perhaps *you* will have the chance to master a profession full of meaning, excitement and rewards...as a Navigator in the U. S. Air Force.

To qualify for Navigator training as an Aviation Cadet you must be an American citizen between 19 and 26½—single, healthy and intelligent. A high school diploma is required, but some college is highly desirable. Successful completion of the training program leads to a commission as a Second Lieutenant...and your Navigator wings.

If you think you have what it takes to measure up to the Aviation Cadet Program for Navigator training, see your local Air Force Recruiter. Or clip and mail this coupon.

There's a place for tomorrow's leaders on the Aerospace Team.

Waverly Edges By Cotta As IM Basketball Closes

The National League proved to be better than the American League by just one point in the intramural basketball championship game last week.

Waverly edged Cotta 47-46 to win the IM crown. In the consolation game Off-campus, from the National League, defeated Grossmann III 46-41.

Derald Gourley was a one-man offensive attack for Cotta as he poured in 25 points. But that wasn't enough to top Waverly, led by Mel Schlichting with 13 and Darrol Bauer with 11. Bauer's all-around play was a definite spark for the victors.

THE GAME was close all the way. Cotta held on to a 22-20 halftime lead but surrendered it reluctantly. After Waverly hit two clinching free throws to take a 47-44 advantage, Gourley hit from the top of the circle, where he got most of his points, but time ran out for the American League team.

The consolation game was equally as tight until the final quarter. Grossmann III had led most of the game although the lead changed hands many times. The third floor men had a lead at the end of the third period but faltered during the last stanza.

Charley Matthias and John Osbrink counted 14 points apiece to lead Off-campus. Al Snook notched 11 and Leon Oltmann 10 for Grossmann III.

COTTA BARELY made it to the finals when Grossmann III rallied in the final quarter of the semifinal contest of the American League. Cotta held on, however, to edge Grossmann III 40-39 after leading 36-30 at the close of the third period.

Bryn Carlson poked in 10 points for Cotta, and Snook gathered 15 counters to pace Grossmann III.

In the National League semi-final Waverly trounced Off-campus 54-43 but needed a late

Olesen

Bauer

rally to pull away after the teams were tied at 37-all at the end of three periods.

BAUER TOPPED Waverly with 17 points with Schlichting adding 12. Jim Boyenga had 11 and playmaker Duane Carnes and John Osbrink had 10 apiece to lead Off-campus' usual even scoring.

Wartburg's all-star team was easily thumped by Luther's team 71-57 several weeks ago. Luther led by only three—33-30—at the half, but from there on it was easy sailing for the Decorah team. Derald Gourley's 14 points were high for Wartburg.

Harold Olesen of Vollmer was intramural's high scorer as he averaged slightly over 22 points per game. Warren Hilgendorf had the season's single game high—38. The highest team total was 96 by Waverly against Clinton II.

W-Club Chooses Hein, Remmers

W-Club held its March meeting a week ago Thursday evening and chose Athletes of the Month for February and March, according to Pres. Chuck Nichol.

Sophomore Don Hein from Waverly was chosen as Athlete of the Month for February. Don was second leading scorer on the Knights Championship Basketball squad with 447 points.

Remmers

The March selection went to Senior Norm Remmers of Adams, Neb. Norm, who was part of Coach Ax Bundgaard's big forward wall, played outstanding ball at Galesburg in the NCAA Tourney besides helping the Knights to another victorious season.

Weather Plagues Few Racquetmen

Wartburg's diminutive tennis squad continues to be hampered by adverse weather conditions. Although the tennis courts were cleared of snow, it will be a long time before any action can take place on them.

Nine men have reported to Coach Adeline Langrock, including three lettermen. Indications are that other men might possibly report to the squad shortly.

Returning veterans include sophomore Larry Mugridge, number one man on last year's team. Mugridge finished second in the conference singles meet. Other lettermen are senior Ron Hart and junior Dick Jebsen. Squad men back from last season are junior Don Wente and soph Dave Braunschweig.

Tennis schedule is as follows:

April 21—ISTC, Here
April 23—Conference Doubles, Central
April 30—Simpson, Here
May 4—Luther, Here
May 6—Dubuque, There
May 7—Loras, There
May 10—Luther, There
May 14—Central, Here
May 17—ISTC, There
May 20-21—Conference Meet, Luther

Picking Up Splinters

By Chuck Jepsen

Senior John Tuecke and sophomore Don Hein have both added to their collection of post-season basketball awards during the past week. Both were named to "Who's Who in Small College Basketball for 1959-60." The selection of this squad was made by coaches, sports publicity directors and athletic directors of small college NCAA and NAIA schools.

Tuecke also was placed on the second team of the Lutheran College All-America Basketball Squad.

★ ★ ★ ★

A most interested observer at the Wisconsin State Tournament for high schools last weekend was basketball coach Ax Bundgaard. Let's hope he came up with some especially tall players to add to our squad.

Dr. Bundgaard also spoke at a Physical Education Clinic at the Eldora Training School this past week. The first week in April he is scheduled to be the featured speaker at two banquets honoring high school basketball squads.

Despite the fact that the Knights won the football and basketball crowns and gained a first-place tie in the conference wrestling meet, the combined record for the three sports didn't come up to last year's tremendous mark. This year's total was 30-14-1 as compared to 38-6-1 a season ago.

★ ★ ★ ★

The old forecaster just doesn't know when to quit. After being way out in left field on basketball predictions, I shall now give my not-so-reliable observations about the upcoming baseball season.

Buena Vista, which has dominated the conference by winning it 9 of the last 12 years, appears to have the inside track again this season. Most serious opposition is expected to come from Parsons, whose entire pitching staff returns, and Upper Iowa.

Not to be counted out in the running is Coach Earnest Oppermann's squad, led by 11 returning lettermen, 4 of whom perform on the mound.

Here's the way I see the standings for this season:

LAST YEAR	PREDICTION
Buena Vista	Buena Vista
Upper Iowa	Parsons
Parsons	WARTBURG
WARTBURG	Upper Iowa
Iowa Wesleyan	Luther
Luther	Iowa Wesleyan
Central	Simpson
Simpson	Central

Snowshoeing Anyone?

Tracksters Pitch Into Spring Schedule

Inexperienced Squad Has Its Stars But Lacks Depth

By Tom Kuckkahn

Although the sidewalks still have patches of ice and the biting wintry air continues to produce discomfort for everyone, the Wartburg track squad under the guidance of Dr. Ax Bundgaard and Wendy Liemohn is working out daily in preparation for the 1960 season.

Many of the 25 tracksters have already been working out for four weeks in Knights Gym. A number of the squad members have been traveling to Cedar Falls to work out on TC's indoor track.

THE TEAM'S success will depend largely upon the freshmen, because a number of lettermen who were expected to help carry the load this year have failed to report. This situation has also been typical of Wartburg track squads in the past.

"It's disappointing when track lettermen don't report," said Dr. Bundgaard. Now additional pressure will be put on the small nucleus of hard-working veterans, and we'll have to rely on the freshmen to fill in."

DAVE JENSEN, Bob Niemann and Harold Olesen, all outstanding members of last year's successful squad, have failed to report. Uwe Strehmel, promising frosh cross-country man, also has not expressed interest in the spring sport. Don Dietzler, a threat in the mile and two-mile, is ineligible.

Eddie Skay, hampered by a leg injury last year, is expected to be a big point-getter in the 100-and 220-yard dashes if he can regain his freshman form, the year in which he won the conference championship in the 220.

WAYNE DREIER, another top-notch dashman, who placed in last year's conference meet, will also be entered in the short dashes.

The graduation of Bill Streng, one of the best 440 men in the history of Wartburg track, will hurt tremendously. Larry Niemann and Ulrich Columbus will be trying to fill his shoes. Two promising freshmen, Clint McClagan and Fred Lichte, will also be representing the Knights in either the 440 or 880.

John Niemeyer, Jim Thomas and Tom Van Wyngarden will be competing in the hurdle events. Niemever will also be entered in the broad jump while Thomas will be flying high in the pole vault event as will Dixon Zander, a sophomere who showed great potential last year.

CHUCK WALLIN, last year's conference champ in the discus throw, should grab a number of firsts in that event.

Gerald Buckler, returning to Wartburg after a stint in the Army, will provide depth in this department as well as taking part in the shot-put event. As a freshman in 1955 he placed in the conference meet in the shot-put event.

No veterans are returning in the mile or two-mile events. Freshman Marv Corporon, an outstanding cross-country man this past fall, is being counted on to fill the vacancy in one of the distance events.

THE HIGH jump also lacks veterans. Two freshmen, Leonard Schmidt and Jerald Schara, represent Wartburg's hopes in this leg-stretching event.

Last Saturday the Knights opened their season in an indoor triangular meet at Cedar Falls. They placed last, with Grinnell and TC ahead. Today the Knights are running in the Indoor Iowa College Meet at TC.

Saturday, April 9, the Knights will host Dubuque in their first outdoor meet of the season.

Wartburg appears to be abundant with individual stars, but the much-needed depth required to win meets appears to be lacking. An interesting season looms ahead.

Season's Schedule:

March 26	—Indoor-Iowa College
April 9	—Dubuque (Here)
April 22	—Conference Relays
April 23	—TC Relays
April 28	—Loras (Here)
April 30	—Drake Relays
May 4	—TC (Here)
May 7	—Viking Olympics
May 10	—Winona
May 14	—Luther
May 20-21	—Conference Meet

Wallin

Three Teams Tab Perfect Records

Only three teams out of twelve remained undefeated after the first week of the short intramural coed volleyball season.

Derald Gourley's team was the only one left unbeaten in the American League. His team beat Leon Oltmann's squad 39-30 in an overtime and took two games from Larry Collmann's charges, 17-4 and 13-7.

THE FIRST night's games were played in two halves, but contests Thursday night and hereafter will be decided by winning two out of three 15-minute games.

The rest of the teams in the American League split their two games except team five, led by Delbert Gilbert, who dropped both contests.

TWO TEAMS stayed on top in the National League. Don Dietzler's squad and team 12, captained by Larry Stumme, won twice. Dietzler's gang walloped Hank Giesman's team 50-15 and edged Duane Carnes' charges 15-13 and 9-3.

Stumme's gang got one easy victory — a forfeit win over team 10, headed by Harold Schlachtenhaufen — when they didn't have enough girls. Two of the six to nine players must be girls. Stumme's team also beat Dave Siefkes' team 26-18.

Six teams are in each league, the American and the National. Action runs until early April, followed by a play-off with games scheduled for Monday and Thursday nights.

TRUMPET Sports

THE WARTBURG TRUMPET Page 7

Saturday, March 26, 1960, Waverly, Iowa

Central Is First Opposition When Oppiemen Play Ball

According to the calendar, spring is here, but at Wartburg Mr. Weatherman is not cooperating with Coach Earnest Oppermann as he prepares for this year's baseball season.

The Knights are scheduled to open the season with a doubleheader with Central College at Pella, on April 13.

Coach Oppermann has 11 lettermen returning to his squad of 30 men, but is lacking in infielders. Second baseman Terry Exner, junior from Racine, Wis., is the only infield returnee.

HOPES OF FILLING the hole at shortstop suffered another blow this week when Kermit Urbain, junior from Walters, Minn., re-injured his leg and is expected to be out most of the season.

Hitting poses a problem again this year with the lack of long ball hitters. Last year the squad's team average dropped to .226 compared to a .301 the previous year. Because of this, the Knights dropped from second to fourth in the conference.

Last year's leading hitter was Marv Ott with .388 as he handled duties at both first base and the mound while compiling a 3-1 record.

COACH OPPERMANN has a sizable and experienced pitching staff this year with Jim Borcherding, Marv Ott, Don Hein, Arlyn Saathoff, Dave Siefkes, Dean Holst and Dean Zimmermann.

Catchers are also plentiful with Derald Gourley, Roger Zehr and Don Sowers returning plus freshmen Al Exner and Don Grimm. Returning men in the outfield are Chuck Nichol, Fred Mai, Don Lehmann and Darrol Bauer.

Coach Oppermann stated that a good deal of hitting power is in his pitching staff and that he plans to use combinations to fill his infield, depending on who is on the mound.

AT PRESENT Sowers, Ott and Lehmann head the list at third with Saathoff, Bob Harken and Holst working at shortstop. Working at second along with Terry Exner are Al Snook and Richard Bixby with Borcherding, Hein and Lehmann heading the list at first.

Oppermann stated that when the weather clears and the squad can get outside, he may find some freshmen to fill in gaps in the infield.

The Knights are expected to give defending champion Buena Vista a good fight for the top spot this year along with Parsons and Upper Iowa, who show a good deal of strength.

FRESHMAN ASPIRANT Dave Brunscheen takes a little pepper practice under the watchful eyes of Coach Earnest Oppermann in preparation of this year's baseball season.

IM Keglers End Season's Activities

Four teams battled down to the wire for the league lead in intramural bowling in last Saturday's season-ending action.

Two teams finished in a tie for first, and the other two finished in a tie for second, just one game out of first.

BILL WACHHOLZ'S team came from a one-game deficit into a first-place tie by sweeping three from last-place Bruce Buslaff's charges.

Don Ringgenberg's team, which had led all season, missed taking sole possession of the crown when they dropped one of their three games to Dave Braunschweig's keglers. Both teams finished with 13-8 marks.

Finishing right on their tails were Al Snook's gang and Stan Ahrendt's team, both of which won three and finished with 12-9 records.

Snook's team beat Jerry Ford's charges, who could have claimed the crown by winning all three. They were tied with Ringgenberg's team for first place the previous week, but they didn't win a match, and three teams jumped over them. Ford's team closed with an 11-10 record.

AHRENDT'S QUINTET dumped Roger Heins' keglers in three straight and moved up from fourth place.

Dave Kaiser bowled a 212 to top all men, and Joyce Porath rolled a 166 to finish high for the girls in the day's action.

Neil Stuhmer, co-chairman of intramural bowling, said that the committee is undecided whether there will be a play-off or not, but he rather thinks that there will be one.

Introducing . . . Ludwig Alpha Von Schmidt

My name is Ludwig Alpha Von Schmidt. I am a newcomer to the Wartburg campus . . . well, off-campus, I should say, because I've spent most of my time so far in the basement of a certain off-campus house.

I really like the guys I stay with, all fourteen of them. But sometimes I don't understand them. Like the other night, for instance. Just because I got a little lonesome down in that dark old basement and started bawling a little, they stuck me out in somebody's cold car.

Then, other times they drag me all over the house and make corny little sounds, and tickle me. (I really get a charge out of this).

One thing about those guys though . . . they aren't prejudiced against us black folks. (I am black, you know).

Sometimes I wonder about some of the remarks they make about me. Like, what's wrong with my plumbing. I'd like to know? Sure wish I knew what they are talking about.

But don't get me wrong. I'm really not griping. I really like Wartburg and those guys I live with. My bark is always bigger than my bite.

Ludwig A.

'The Robe' Slated For Campus Movie

Cinemascope's first production of "The Robe" will be presented on the stage of Knights Gym this evening at 7:30, according to reel spinner Nolan Cramer.

Richard Burton portrays a Roman tribune, Marcellus, who gambles at the foot of the cross where Jesus was slain and wins the garment, "The Robe," which Christ wore to His death. Other stars are Jean Simmons and Victor Mature.

A short subject, "The Roger Wagner Chorale" will present seven minutes of singing. Both films are in Cinemascope and color.

Refreshments will be sold by the Camera Club and First Floor and Basement of South Centennial. Special feature will be a demonstration of stereophonic music which will begin at 6 p.m.

Sophomores To Take Progress Tests

Sequential Tests of Educational Progress will be given to all sophomores from 2-5 p.m. April 7 and from 9-12 a.m. April 8 in Knights Gymnasium.

Four major areas, reading, mathematics, science and social studies, will be included by the tests. Each area will be covered in a 70-minute period. The tests are standardized and given on a national basis.

According to dean of faculty, Dr. John Chellevold, this is the first time Wartburg has participated in this program. The tests are used to evaluate student achievement in the areas, and results will be used for academic counseling in the junior and senior years.

Students weak in a certain area will be encouraged to pursue more work in that department.

Swensen Offered Summer Position

Dr. A. W. Swensen of the Wartburg Chemistry Department has been offered a summer teaching position at Mankato State Teachers College, Mankato, Minn.

If Dr. Swensen accepts this position, he would teach chemistry for one month during next summer at Mankato.

Lois Max Spends Washington Week

Junior Lois Max reaped the full rewards of being named a participant in the 1960 Week in Washington program the past week.

She and 19 other Iowa students attended sessions of Congress, committee meetings and hearings in the nation's capital. Miss Max, a Democrat, was the guest of Rep. Fred Schwengel.

The program is sponsored by the Iowa affiliate of Citizenship Clearing House in co-operation with the Republican and Democratic parties.

Freshman Engaged

Freshman Shirley Rachut, of Mitchell, recently became engaged to Kenneth Fossey, of Toeterville. No wedding date has been set.

HAATS' STUFF

By LaVonne

Like man, it is going to be the ultimate utmost! That is what beatniks are exclaiming when they hear about the Beatnik Rendezvous that will be taking place at Wartburg. The big event is a beatnik carnival April 9 at Sir Victor's Mad Pad (Knights Gym to those not familiar to beatdom).

Prizes will be given to the most beat-looking beatniks! There will be consession stands, coffee houses and a cakewalk.

The winners of the beard-growing contest will also be announced. There are five categories in the competition, the best over-all beard, the neatest beard, the most original beard, the best goatee and the best mustache. Make your plans now to attend — I mean like it is the craziest!!

★ ★ ★ ★

Here is a meeting no one will want to miss! Thursday, March 31, the Academic Life Committee is sponsoring a discussion on "A Liberal Arts College — So What?"

Members of the discussion group will be Dr. Gerhard Ottersberg. Dr. E. T. Sandberg, Dr. Clifford Hanson and the Rev. E. A. Schick. The moderator will be Dallas Johnson. The discussion will begin at 7:30 p.m. in Fuchs Lounge.

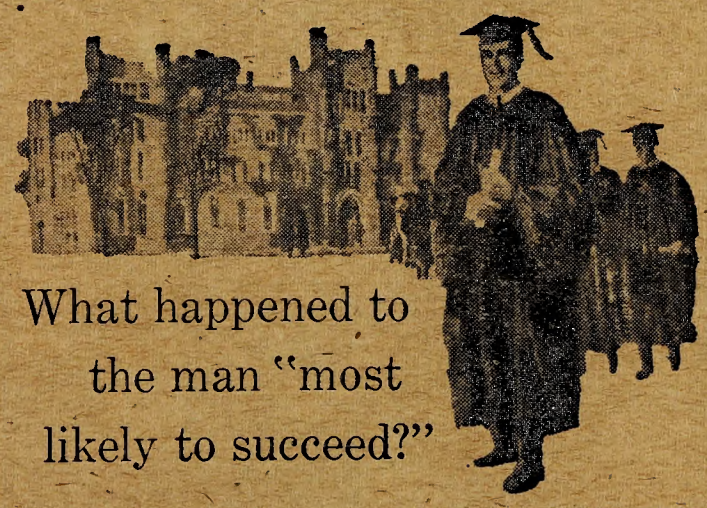
★ ★ ★ ★

Rumor has it that a new project has been added to the Student Body Project list. Yes, plans for flood control methods are being considered for the water-stricken area between the Union and Old Main.

Whatever happened to the canoe? Maybe people weren't kidding when they said it was possible we would be having a new course in Phy Ed!

★ ★ ★ ★

BSA members have a chance to find out what their club has been doing this school year on April 4. The meeting will be held in Wartburg Hall Lounge at 7 p.m. Also, the election of officers is scheduled to take place at the meeting.



What happened to the man "most likely to succeed?"

Back in 1953, Ben was the guy with the winning smile, personality and good grades. Couldn't miss. So, they voted him "Most likely to succeed."

One day, Ben's roommate said, "What are you going to do when you graduate? I haven't got a thing lined up."

"Well, nothing's final, John," said Ben. "But I *am* thinking about Lutheran Brotherhood."

"Life insurance? I haven't given that much thought."

"Sounds like a good deal, John. This is the life insurance society for Lutherans—like you and me. And it's really growing fast."

Ben's right! Lutheran Brotherhood has over $1 *billion* of life insurance in force in 40 states and five Canadian provinces. There are good openings right now for college men. And, a full training program . . . real opportunities for qualified young men who want a lifetime career in life insurance.

What happened to Ben, the "man most likely to succeed?" He joined Lutheran Brotherhood and is now a General Agent. And John, his roommate? Ben's right hand man in the business of providing security for fellow Lutherans.

You can't beat success. And the opportunities in 1960 are even greater with Lutheran Brotherhood. Send us a card for the full story.
